SUITABILITY

For Public Areas, Ballroom, Corridors, Guest Room, Restaurant, Casino, VIP Lounge, Staircase, Cinema, Clubs & Bars etc.

DISCLAIMER

This carpet is manufactured and sold for floor covering use only.

The designs and colors shown in this catalogue are for illustration purposes only and may vary slightly from the actual product due to printing and screen display differences.

All carpet specifications reflect average values based on product sample testing and are subject to normal manufacturing and testing tolerances, pattern variances, and may be changed without notice.

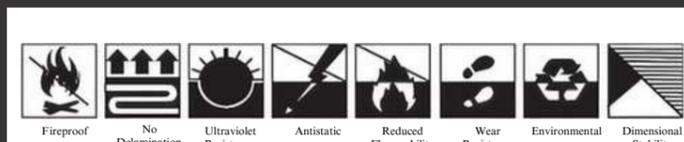

All products are Low VOC and Anti-static.

Customization options are available upon request and may affect pricing and lead time.

Cleaning: Should be done using gentle methods. Avoid strong bleach or industrial solvents that could damage the print.

Installation: Carpet installation must adhere to precise alignment of pattern repeats and be conducted on properly leveled and clean subfloors to ensure optimal performance and visual consistency.

Warranty: Coverage is limited strictly to the terms outlined in the manufacturer's official written warranty. All other warranties—express or implied—including, but not limited to, merchantability or suitability for a specific purpose, are expressly excluded.

SUITABILITY

For Public Areas, Ballroom, Corridors, Guest Room, Restaurant, Casino, VIP Lounge, Staircase, Cinema, Clubs & Bars etc.

DISCLAIMER

This carpet is manufactured and sold for floor covering use only.

The designs and colors shown in this catalogue are for illustration purposes only and may vary slightly from the actual product due to printing and screen display differences.

All carpet specifications reflect average values based on product sample testing and are subject to normal manufacturing and testing tolerances, pattern variances, and may be changed without notice.

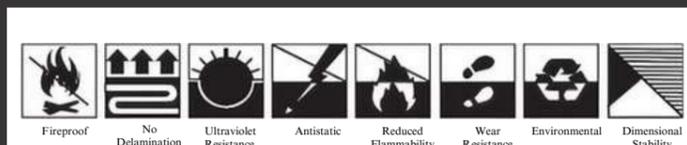

All products are Low VOC and Anti-static.

Customization options are available upon request and may affect pricing and lead time.

Cleaning: Should be done using gentle methods. Avoid strong bleach or industrial solvents that could damage the print.

Installation: Carpet installation must adhere to precise alignment of pattern repeats and be conducted on properly leveled and clean subfloors to ensure optimal performance and visual consistency.

Warranty: Coverage is limited strictly to the terms outlined in the manufacturer's official written warranty. All other warranties—express or implied—including, but not limited to, merchantability or suitability for a specific purpose, are expressly excluded.

DOP	:1008#BL0001

WARRANTIES

20 Year Residential Carpet Wear Warranty Including Hotel Guest Rooms

Lifetime Antishock Carpet Warranty

The subfloor must be dry, smooth, level, clean, and free from dust, and capable of withstanding compression and load. Where seams are required, an approved seam sealant must be applied to all installations. Due to dye-lot variations, actual carpet color and texture may vary slightly from samples shown. Chair pads are recommended to help prevent premature carpet wear.
